## Use this tool to help you to read an article, chapter, or passage effectively

Step 1: Read just the <u>title</u> of the article, chapter, or passage, along with **headings**, **bold text**, and *italics* 

What do you think of when you think of this subject?
What do you think you'll learn about this subject?
What words and ideas stand out to you at first glance?

Step 2: Read the article, chapter, or passage

## Answer the your questions above, if you can. What else did you learn?
